21 April 2017

Dear Parent / Guardian

CIRCULAR 11 (2017)

1. SPORT TOURS

All our A Rugby teams took part in the Drosty Festival. We would like to thank our parents for their support and for also attending the matches.

Apart from the fact that the tour focuses on team building, coaching and matches, it also fulfils an educational role as the group visited Cape Town the surrounding areas. This concept of a group, which consists of different players and teams, touring together is definitely a winning recipe. It promotes a healthy group spirit.

The teams played against HTS Drosty, Hugenate and Daniël Pienaar. Our boys won 6 of their matches, tied in one and lost 5 games.

Our hockey teams tours went to Potchefstroom and Camp Discovery.
The boys and girls won 20 games, drew a few and lost 8 games.

All the hockey games were played on Astro and, because most of our upcoming matches will be on Astro, that was good preparation. There were also SA players involved in the coaching.

Netball:

This year we focused on extra training. Our teams did very well and won 19 of the 25 matches overall. Thando Ngcobo was chosen as the most improved player, the u/15 team was awarded "The Best Team" and Mathilda van den Berg was announced as one of the best players during the tour. The experience gained during the tour is very valuable.

Thank you to all the coaches who sacrificed their holidays to go on tour.

2. ATKV REDENAARS

We are very proud of our "ATKV-redenaars". 17 of the 24 learners who competed are going through to the next round which will take place on 9 June 2017. Well done!
