12 May 2017

Dear Parent / Guardian

CIRCULAR 13 (2017)

1. EXAM – SECOND TERM

You were informed in circular 12 that the exams will commence on 29 May.

From Monday, 26 June, school will continue as normal and learners will have the opportunity to go through their exams so that any possible mistakes can be corrected. Learners and parents must please take note that school based assessments (tests) will take place during the last week of school. These marks will count for the third term. Please ensure that you do not make any holiday reservations for this time because if a learner does not write and cannot hand in a medical certificate, a zero will be awarded.

2. SCHOOL ATTENDANCE DURING THE EXAMS

According to departmental rule, all the learners have to be at school every day during the term, and this includes exam times. We are, therefore, not allowed to give learners permission to stay at home when they are not writing exams. However, if a parent would like his/her child to stay at home to study on the days that he/she is not writing an exam, a letter has to be handed in to the register teacher to inform the school about this. Only then the learner will have permission to stay at home on the parent's responsibility, to study, on the days that he/she is not writing an exam.

3. RE-REGISTRATION FOR 2018

It is a requirement of the Gauteng Education Department that learners must re-register for the following year (2018). It enables school management to determine the staff requirements and to finalise its budget for the upcoming year.

It is imperative that the attached form be completed and returned to your child's register teacher no later than 19 May 2017 (as determined by the Department).

Please pay attention to the following for re-registration:

- The registration form must be completed and checked. This includes the learner's information. Please bear with us when completing the form and providing the information of the parents / guardians with whom the learner lives. It is most important that we check the information as many parents' particulars change and they neglect to inform us.
- Everyone concerned must please sign where applicable.

4. NWU-PUKKE PRESTIGE SPORT SERIES

As you know, we took part in the above-mentioned series for the first time this year. We take pride in the fact that both A and B teams participate in this series and contribute evenly to the final results. At times it was tough and we had very worthy opponents. We are extremely proud of all our learners who participated and their coaches for a job well done.

The final results are as follows:

Boys Hockey	7 th
Girls Hockey	8 th
Netball	5 th
Cross country	8 th
Chess	6 th
Golf	3 rd
Tennis	Joint 1 st
Rugby	8 th

Overall we took 5th place in the series.

Next year we will be in a pool with Lichtenburg, Jeugland and Hugonote.

We would also like to thank our learners and parents alike who supported us throughout this series. We are looking forward to 2018!
