

10 March 2017

Dear Parent / Guardian

### CIRCULAR 8 (2017)

#### 1. ASSESSMENT ON 17 MARCH

We would like to remind you of the school policy that a test, or assessment task, will always be written on the day before a long weekend or the holidays.

On 17 March all the learners will be writing Mathematics, Mathematical Literacy or Technical Mathematics. Please note that this replaces the Afrikaans test that was scheduled for this day.

**There will also be no test written on 24 March, as this is not a long weekend.**

If a learner is absent for this assessment a zero will be awarded unless a medical certificate is handed in.

#### 2. GRADE 12 EXTRA CLASSES

Our grade 12 learners all have extra classes on Wednesday afternoons from 14:15 until 15:00 and on Thursday mornings from 07:00 until 7:40. During these classes teachers continue with the syllabus. These classes are not optional - they are compulsory. We call on all our parents to ensure that the learners are at school for these extra classes.

#### 3. FURY BOOKLETS

Your child has received the Fury booklet. The aim is for each learner to sell **TWO** booklets and, like last year, we have some incentives to motivate the learners. Here they are for you to peruse:

- For each booklet sold the learner may receive either 50 credits or 50 loyalty hours.
- Grade 8 and 9 register classes, that have sold an average of two booklets per learner, will have a day off.
- Grade 8 and 9 register classes, that have sold an average of three booklets per learner, will receive an additional day off.
- For Grades 10, 11 and 12 the whole grade will have a day off if an average of two booklets per learner per grade have been sold.
- Your support with this project will be most appreciated. You are not only supporting the school, but also your child.

### 4. SBAs

Please take note that all SBAs have to stay at school and will not be sent home. This is according to departmental rules that all SBAs must remain at school at all times. All the learners do receive the SBAs after they have been marked and the memoranda are discussed so that any mistakes in marking can be rectified.

### 5. PAYMENTS MADE TO THE SCHOOL

Parents must please take note that no monies that are paid to the school can be refunded. A budget is drawn up for every activity at school and the payments are determined by this. When drawing up the budget the number of learners who will participate is taken into account. We then determine the amount due per person. Therefore, if your child withdraws from the activity we cannot refund the money, because your child was included in determining the amount owed by every participating learner.

### 6. SALES AT SCHOOL

The tuckshop at school has a contract to sell refreshments. No one else may sell anything at all – no food, sweets or drinks.

### 7. PUK SERIES SEMI-FINAL

On 26 and 27 April, the PUK series semi-final will take place. Please take note that this is the beginning of a long weekend. We implore you to ensure that your child can attend these matches as they are of great importance.

### 7. HONEST LEARNERS

We want to commend the following learners for their honesty and assistance: Tayla Daw, Carina Faria, Seff Johnstone, Tenisha Roos, Codi Sapire and Nirvaghan Pillay who respectively picked up money, found a tablet and cellphone and provided help. Thank you!
