27 January 2017

Dear Parent / Guardian

CIRCULAR 2 (2017)

1. GRADE 11 and 12 PARENTS' MEETINGS

These very important meeting will take place on 2 February 2017 - at 18:00 for grade 11 parents and at 19:00 for matric parents - in the hall. On the agenda is:

Grade 11 meeting:

- Information concerning SBAs – portfolios and tasks – for each subject will be provided.
- Maths is compulsory when a learner takes Accountancy, Physical Science and Information Technology.

Grade 12 meeting:

- Information concerning SBAs – portfolios and tasks – for each subject will be provided.
- Maths is compulsory when a learner takes Accountancy, Physical Science and Information Technology.
- The Matric Farewell

Several tertiary institutions have been invited to provide you with information of what each of them offers. They will be in the Gym hall from 17:00 – 19:00. Please make use of the opportunity. Your grade 12 child is welcome to visit the exhibition. However, they cannot attend the meeting as we have a seating (space) problem.

2. GRD 8 “WALK IN CEREMONY”– MONDAY 30 JANUARY

On Monday morning, 30 January, our traditional “Walk in ceremony” – through the fountain at the front of the school – will take place. The day will start with the presentation of the Grade 8 learners in front of the school after which they will walk through the fountain to start a new era in their lives.

In 2021 these grade 8 learners will walk out through the fountain when they enter the "adult world".

3. DEPARTMENTAL POLICY REGARDING MATHEMATICS AND SUBJECTS OF CHOICE

The GDE has made amendments to their policy regarding Mathematics and subjects of choice. If a learner needs to go down to Mathematical Literacy he/she may not take Accounting, Physical Science or IT any more. They must then select another subject. Learners may, therefore, only take Accounting, Physical Science and IT if they also take Mathematics.

4. PARENTS MUST SIGN IN WHEN VISITING THE SCHOOL

It is a departmental (GDE) requirement that all visitors must sign in, at the gate, when entering the school premises.

It is the duty of our security guards to ensure that parents and other visitors complete the visitor register. Many parents and visitors refuse to do so, however, parents should realise that this measure is necessary to ensure the safety of everyone on the school premises.

Your co-operation would be highly appreciated in this regard.

5. PERSONAL BELONGINGS AT SCHOOL OR AT SCHOOL ACTIVITIES

Learners who bring personal belongings e.g. cell phones or bicycles, to school or any school activity do so at their own risk. If it gets lost the school can not be held liable.

6. MONDI RECYCLING FUNDRAISING PROJECT

We request all our parents to send newspapers, magazines, office paper, school books (plastic cover removed), telephone directories, cereal boxes, toothpaste and folded brown boxes to school to be placed in the Green Mpact container. The container is situated at the top gate (next to the house on the school grounds). No dog food bags, cement bags, paper covered with plastic, plastic bags and bottles, sweet wrappers or chip packets may be placed in the container. The more paper we collect, the more money we'll receive.

7. MAKRO REBATE PROGRAM

You undoubtedly know of the Makro branch here in Alberton. Our school can be part of a rebate program which works as follows:

- Parents' cards are connected by an internal number.
- Rebate to the school is calculated on the profit of sales – which is connected to the cards of our school's parents.
- The profit is calculated bi-annually – from January to June and from July to December.
- The profit is calculated on a sliding scale between 10% and 25%.

If you are interested in being part of the program, please collect a form from the general office and have it returned as soon as possible.

Should you already own a Makro card, which is not connected to the school, you are requested to complete an application form again so that the card you are using can be connected to the school.

8. MARAIS VILJOEN FACEBOOK PAGE

Our parents and learners are requested to use only the official Facebook page. To help you find the correct page, we provide a copy of the logo.

9. HONEST LEARNERS

Deon Muller and Anneri Minnie picked up a wallet and handed it in. Thank you.
