Dear Parent / Guardian

CIRCULAR 3 (2019)

1. VALENTINE'S DAY

The Valentine's dance will take place on Saturday, 16 February. The ticket prices will be announced closer to the day. We will also have a civvie day on Thursday, 14 February, at the cost of R10. We request that everyone wears something red.

2. FIRST TERM TEST CYCLE

Learners have already received their test timetables for the first term. The test cycle commenced today. Learners must please prepare themselves timeously for their tests.

On a test day the periods will be shorter to accommodate all the periods of the day.

On some days there will be two tests. On these days there will still be school as well, unless the learners are informed of other arrangements.

3. MATHEMATICS ADDITIONAL SUPPORT CLASSES

Assistance in Mathematics (grades 8 and 9) is offered on Tuesday and Thursday afternoons, from 14:15 – 16:00 in Room 57, by Mrs Hall.

4. ASSISTANCE CLASSES FOR ALL THE SUBJECTS

You are reminded that all the staff are available on Monday afternoons until 15:15 for learners who need help with their school subjects. Learners must please make use of these opportunities.

5. PULLOVER

The pullover is compulsory for all the boys. If a learner is not wearing his pullover, Mrs Heystek, Dr Krause and Mr Müller have the authority to give such a learner 50 demerits.

6. ABSENCE FROM SPORT MEETINGS

If a learner is supposed to attend a sport meeting, but for some reason is unable to do so, a letter from the parent has to be handed to the register teacher the day **before the sport meeting**. Only medical certificates will be accepted the day after the meeting, not a letter from the parents. All the tickets, which are evidence of attendance at a sport meeting, have to be handed in and finalised the day after the meeting.

7. ABSENTEEISM

When a learner has been absent he/she is to hand in a letter, written personally by one of the parents, to the register teacher.

If a learner is absent during a test/exam/SBA, a doctor's certificate is to be handed in on the day of return. If it is not, a zero will be allocated.

If a learner is absent, it is his/her responsibility to catch up all the work.
