2 August 2019

Dear Parent / Guardian

CIRCULAR 10 (2019)

1. THIRD TERM'S TEST CYCLE AND TIMES

The learners have already received their test timetable for this term. We want to impress on parents and learners that it is the learners' last opportunity to improve their year mark – especially those who are facing the possibility of repeating the year.

The test cycle will commence on 2 August. Please note that no borrowing or lending is allowed during a test or exam, so please ensure that your child has everything needed to complete the paper to the best of his/her ability. Also take note that the tests on Fridays will be written during the latter part of the day, whereas tests scheduled on other weekdays, may be written at the beginning of the day.

2. ASSISTANCE CLASSES

Teachers are available every Monday from 14:00 – 15:15 to provide academic assistance to our learners. However, it has been decided that the Language teachers (English and Afrikaans) will be available on Wednesday afternoons – not Mondays. The times are the same as that of Mondays.

Learners are encouraged to make use of this opportunity!

3. REVUE

This is us! was a huge success! We are so proud of each and every one of our learners who took part in this production. We also would like to thank our parents for their support, patience and for carting the stars of our show to and from school. No activity at school can be successful without the co-operation of our parents.

4. WORD OF THANKS

We would like to thank all our parents for their ongoing support next to the sport field throughout the year. We value our parents and realise that they are part and parcel of our success. Thank you very much.

5. HONEST LEARNERS

Shaun Rehr, Donovan Reichel and Tilisa de Lange respectively handed in money and a phone. Thank you very much!
