In 2019 het die skaak weer in die PUK toernooi baie goed gedoen. Die juniors was groepswenners en het daarna algeheel 9 de gekom. Die seniors was ook wenners in hulle groep en het algeheel tweede gekom en dus 'n silwer medalje ontvang. Marais Viljoen was dus 4 de uit sestien skole.

In the Alberton league our 0/15 and 0/18 team won the league. Both teams were invited to the district finals where the 0/18 team won a gold medal.

The 0/18 team was then invited to Top Schools where all the best schools in Gauteng played against each other. Our team did well and is now more motivated than ever to win this tournament in 2020.

We are saying goodbye to Leandri Nel and Reinhard Kühn our gr 12 learners who made us proud through the years and you will surely be missed.

**“Our greatest weakness lies in giving up. The most certain way to succeed is always to try just one more time.”**

– Thomas A. Edison

Our chess players all strive to become masters and will keep on trying just one more time.

We thank you for your hard work.
