### **CIRCULAR 3 (2022)**

Dear Parent / Guardian

#### **1. HOCKEY: ASTRO FIELD**

An Astro field has been on our wish list for many years. The cost of an Astro is between R10-14 million. Current fundraiser projects are already allocated to the budget so as to keep school fees as low as possible. Thus, other creative ideas are necessary to fund this project. An enthusiastic committee will be the answer to investigate all possibilities, obtain sponsors and drive this project to realise this long-awaited dream.

We invite you to send an email to [martieh@maraisviljoen.co.za](mailto:martieh@maraisviljoen.co.za) should you want to serve on this committee, be a sponsor, invest your time, knowledge, contacts or just suggestions in this regard. We are looking forward to hearing from you!

#### **2. BULLY POLICY, DRUG POLICY AND SOCIAL MEDIA**

Marais Viljoen's code of conduct and policies have a ZERO tolerance concerning the above mentioned. We are working very hard to provide a safe school environment for our learners, maintain strict discipline and to have happy, well-informed learners. Therefore, we ask learners to report irregularities, to be careful what they post on social media and not to fall into the drug trap. Kindly talk to your child about these matters and encourage them to report irregularities. We hope to shortly confirm the visits of the SAPS and other speakers on these matters.

#### **3. NWU PRESTIGE SPORT SERIES RESULTS**

Marais Viljoen achieved a **4<sup>th</sup> place** out of sixteen schools!

The Senior tennis team and the 15B netball team won the gold medals!

The junior golf team won the silver medal.

The 14A and 16A netball teams acquired the silver medals, while the 14B and 2nd netball teams walked away with the bronze medals.

The 1<sup>st</sup> team hockey girls also won the bronze medals.

The following five rugby teams came home with the bronze medals: 2nd, 3rd, 16B, 15A and 15B.

Congratulations on these exceptional achievements!

A sincere thank you to each player, coach and parent that had a part in our success!

#### 4. LEARNERS' APPEARANCE

Your child's appearance must always be according to the code of conduct. Please see your child's diary if in doubt.

The weather is still currently very uncertain. Please note that learners must either wear **full summer or full winter attire**. A combination of the two is not allowed. A **long sleeve jersey** without a blazer is **never permitted**. Track suit tops are only to be worn with supporter's wear. No other warm jackets/jerseys or beanies are allowed with the school uniform. Only the school scarf is allowed with winter uniform.

Thank you that we can rely on your support in this regard.

### 7. REVUE

We are looking forward to see our revue learners on stage in July. Thank you to our staff and learners for their hard work and dedication. Thank you to their parents for their support. Ticket sales will be done online and this will start in June.

### 8. ASSESSMENT TIMETABLE

The controlled assessments start on 30 May. Learners have already received the timetable. It is also available on D6 and Facebook.

**Grade 8 and 9** learners must attend school every day from **7:30 to 13:00**.

If you have already handed in an exam letter, your child may study at home on days that learners are not writing an examination.

**Grade 10 to 12** learners will shortly receive a timetable with scheduled times.

They only come to write their exams on the scheduled times. Outstanding exam letters must be handed in to their register teachers.

Provision will be made for a study classroom with invigilation (7:30 – 13:00) for learners who cannot study at home. Parents of such learners must communicate this arrangement via email. Should the situation change during the exams, the parent must notify the school via email again.

Kind regards
