## NUUSBRIEF / NEWS LETTER

Term 1 / Kwartaal 1

27 Maart / March 2026

## Uit die Hoof se kantoor / From the Principal's Office

Term 1 of 2026 has been successfully completed. The first term of the academic year was characterised by a demanding test cycle, alongside a full programme of athletics, cricket, swimming, and the opening fixtures of the NWU series.

We are proud to report that it was a highly successful term across all areas, with Marais Viljoen learners consistently giving their utmost effort in academics, sport, and culture. While we celebrate these achievements, we also recognise that there is always room for growth. These areas will be further developed through the various tours and enrichment opportunities taking place during the holidays.

Ons wil graag alle sportspanne en atlete alles van die beste toewens met hul komende toere en byeenkomste en ons is oortuig daarvan dat ons leerders Marais Viljoen steeds met trots, integriteit en toewyding sal verteenwoordig.

'n Opregte woord van dank word gerig aan ons toegewyde personeel, wie se harde werk en volgehoue ondersteuning dit moontlik maak vir ons leerders om akademies uit te blink, terwyl hulle ook aktief deelneem aan 'n wye verskeidenheid sport- en kultuuraktiwiteite. Hulle bydrae is van onskatbare waarde vir die volgehoue sukses van ons skool.

As you will see throughout this newsletter, our learners have truly excelled during this term, and we celebrate their achievements with great pride. We also extend our heartfelt thanks to all parents for your continued support and partnership—it is deeply appreciated.

'n Groot dankie aan al die borge van Marais Viljoen. Ons waardeer julle volgehoue ondersteuning en julle kan weet dat julle van onskatbare waarde vir die skool is.

At the same time, schools—like all institutions—are operating in an increasingly uncertain global environment. While a war taking place thousands of kilometres away may seem far removed from our daily lives, the effects are felt in various ways. The message from school leadership and the SGB is clear: financial planning must take into account ongoing global volatility.

Dit is daarom noodsaaklik dat ons ons kontantvloei verantwoordelik bestuur en deursigtigheid met ons ouergemeenskap handhaaf. By Marais Viljoen is ons ten volle bewus van hierdie uitdagings en wil ons u verseker dat ons deeglik beplan en ons hulpbronne verantwoordelik bestuur om die volgehoue stabiliteit en groei van ons skool te verseker.

We wish all our families a restful and blessed holiday, as well as a joyful Easter celebration. Travel safely, and we look forward to welcoming everyone back refreshed and ready for a busy and productive second term.

*Dr. J. Krause*

# SOCIAL:

## Standing United

In 2026, our school launched an exciting new monthly initiative called #TuesBlue. A celebration of school spirit, unity, and learner buy-in.

Once a month, our learners and staff come together to proudly celebrate what it means to be part of the Marais Viljoen family. The aim of #TuesBlue is to build a stronger sense of belonging, encourage positive school culture, and create memorable moments filled with true Marais-gees. Each month has brought something unique and exciting:

**January** marked the official launch of #TuesBlue, where our learners were surprised with an impressive display of Cobra Cars at school.

**February**, breaktime turned into a lively celebration with a fun dance-off between learners, complete with awesome prizes.

**March** saw the exciting relaunch of the Blue Boys, adding even more energy and spirit to the initiative.

We are excited to see how #TuesBlue will continue to grow throughout the year as we stand together, celebrate together, and build even more school spirit!
